Faculty Selection Process - Fourth Round

Short-listed Candidates for Faculty Recruitment Seminar and Interview

DMI received 32 applications in response to the web announcement dated June 10, 2016 inviting applications for faculty positions. Of these, 3 applications were not considered as the applicants were found not suitable at the end of the selection process in the previous rounds. Among the rest, 24 applicants were with Ph.D. or FPM qualification, or pursuing for the same or experienced development management professionals.

Eight candidates are invited for faculty selection process consisting of faculty recruitment seminar on a topic of candidate's choice relevant to DMI and personal interview scheduled on 21 October 2016 at DMI.
